

Riding on a Ferry

Created as audio picture book
(audio optional)

I'm riding on a ferry,
The ferry is carrying me
I'm riding on a ferry,
It's just the ferry and me.

We're riding up, we're riding down,
We're riding from side to side,
My head is dizzy, my tummy is wizzy,
The ferry is turning me 'round.

I'm riding on a penguin,
The penguin is carrying me,
I'm riding on a penguin,
It's just the penguin and me.

We're riding up, we're riding down,
We're riding from side to side,
My head is dizzy, my tummy is wizzy,
The penguin is turning me 'round.

I'm riding on a big fish,
The fish is carrying me,
I'm riding on a big fish,
It's just the big fish and me.

We're riding up, we're riding down,
We're riding from side to side,
My head is dizzy, my tummy is wizzy,
The big fish is turning me 'round.
