NYACK, NY (April 21, 2021) – Fans of award-winning children's entertainer **Sukey Molloy** can look forward to the upcoming **May 21st video release of Sukey's Circle! Vol. 4**. The video is comprised of four animations of Sukey's award winning songs and will be available in video download on Vimeo, Roku, Highbrow, FireTV, and at www.sukeymolloy.com.

Sukey's Circle! Vol. 4 exudes the magical atmosphere and up-close personal style that has become **Sukey Molloy's** calling card. This latest video animation features four of Sukey's award-winning songs accompanied by her favorite felt friends Sunny and Tick Tock in playroom scenes introducing each song animation. As Sukey narrates, kids ages 2-5 will be engaged through imagery, movement play, and song. Sunny and Tick Tock, in their very own felt-classroom, learn how the picture animations are made and play with counting, jumping, ball play skills, and more!

Throughout Sukey's Circle! Vol. 4, Sukey Molloy's animations exude a sense of fun, playfulness and joy while presenting age-appropriate lyrics, rhythmic melodies and colorful images that young children have grown to love.

Sukey Molloy explains, "My new **Sukey's Circle! Vol. 4** video is created to offer a fun, educational, and gently paced atmosphere for early learning viewing. As with all my music and video, it is my wish to provide an alternative viewing style for families and young children, offering a gentle, engaging learning atmosphere through felt animation, storytelling, movement learning and song. It is my hope to foster a close relationship between the animated characters and the child viewer in an atmosphere of cheerful, joyful learning."

Since 2005, Sukey's DVDs and CDs have been honored with **Parents' Choice, NAPPA, Children's Music Web, Preferred Choice, Creative Child, Mom's Choice Awards** and **National Parenting Products Award Winner**.

While Sukey Molloy's lyrics, melodies, narrations and animations on Sukey's Circle! Vol 4 express a sweet, childlike nuance, she doesn't compromise when it comes to musical integrity and production values. Grammy-winner Larry Alexander, who is co-producer for all Sukey Molloy's recorded music and video, has worked with some of the biggest stars in the music business, including Diana Ross (six albums), Bruce Springsteen, Willie Nelson, Bon Jovi, and David Bowie, to name but a few.

To date, **Sukey Molloy's** award-winning body of work includes the CDs Five Little Oysters! (2018 National Parenting Products Award Winner), Sukey's House! (2016), I Am Sleepy! (2012, Parents' Choice Silver Honor Award), I Am Happy! (2012, Creative Child CD of the Year Award, Mom's Choice Gold Award, Preferred Choice Award), I Like to Sing!
